

Making History in Historic Sharon

Sharon Green™ is a 34 homesite conservation community located on State Line Rd. at the eastern edge of Sharon, WI; 16 miles from both Lake Geneva and Beloit and only 8 miles from the METRA train in Harvard IL. Homesites are surrounded by 20+ acres of prairie grasses, wildflowers, trees, ponds and walking paths; all of which are yours to enjoy as an owner in this unique development.

Conservation Development, LLC has several home plans available for the **Sharon Green™** community. Plans ranging from 1,400 - 2,000+ square feet are designed to be energy efficient and affordable while still maintaining the charm and character reminiscent of the Victorian era. These homes feature open porches, high pitched roofs and distinctive architectural features that compliment the beautiful country setting.
